

# One: Ticketing System

Using Laravel,Blade,Php,Bootstrap and MySQL

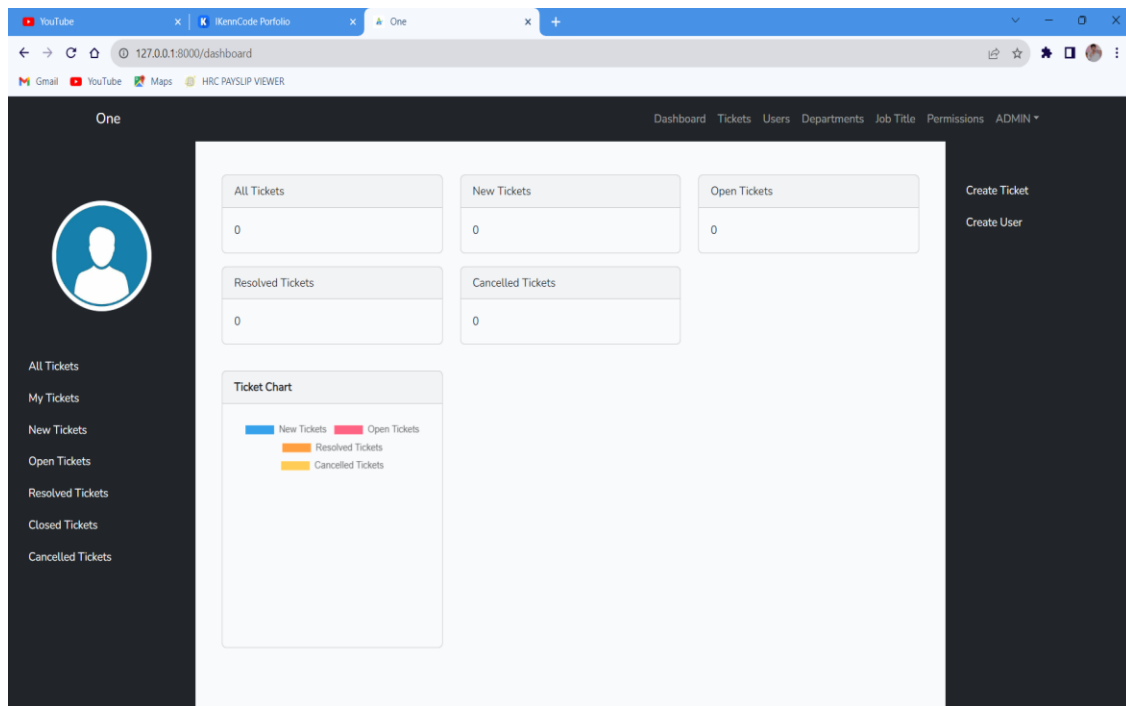

## Login UI

For admin and User

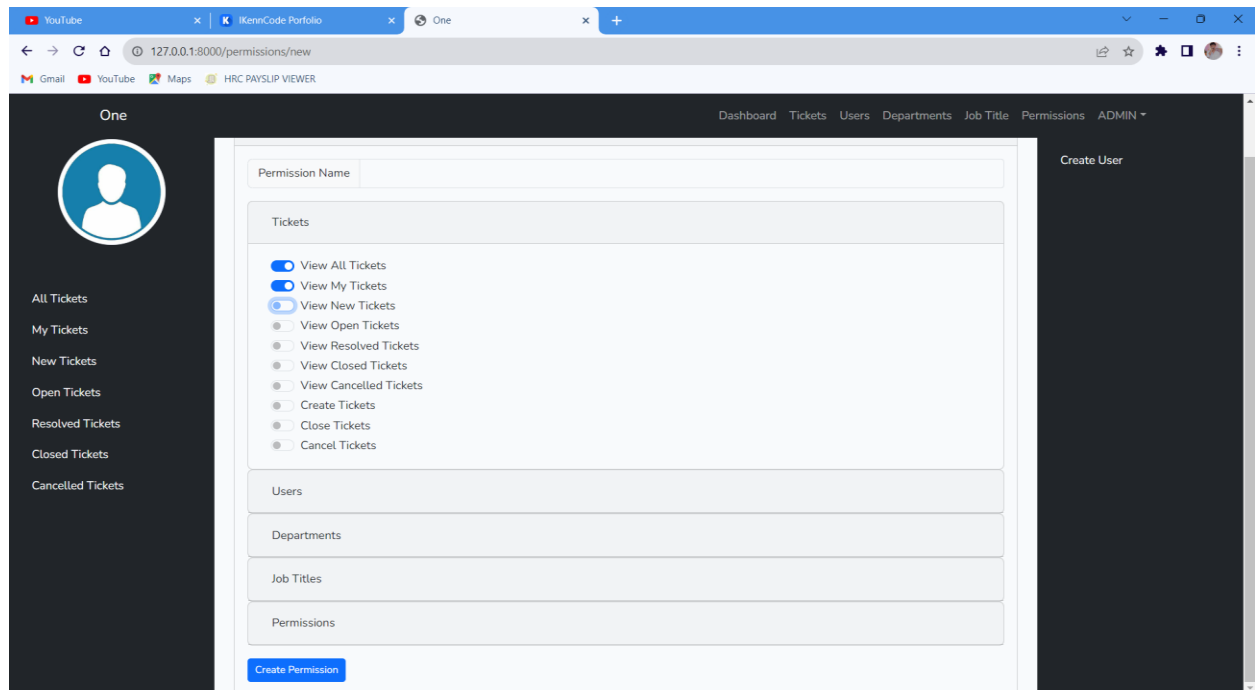

The screenshot displays a web browser window with the address bar showing '127.0.0.1:8000'. The browser tabs include 'YouTube', 'iKerenCode Portfolio', and 'One'. The login form is centered on the page and features a circular profile picture of a cartoon character. Below the profile picture, there is a 'Username' label and a text input field containing 'admin'. Underneath, there is a 'Password' label, a text input field with masked characters (\*\*\*\*\*), and a 'Show' toggle switch. At the bottom of the form is a dark blue 'Sign In' button.

# Create Permission: assign permission for Users

The screenshot displays a web application interface for creating a new permission. The browser's address bar shows the URL `127.0.0.1:8000/permissions/new`. The application features a dark sidebar on the left with a user profile icon and a list of ticket categories: All Tickets, My Tickets, New Tickets, Open Tickets, Resolved Tickets, Closed Tickets, and Cancelled Tickets. The main content area is titled 'Create New Permission' and contains a form with the following fields:

- Permission Name
- Tickets
- Users
  - ☒ View Users
  - ☐ Create Users
  - ☐ Update Users
  - ☐ Disable Users
- Departments
- Job Titles
- Permissions

A blue 'Create Permission' button is located at the bottom of the form. On the right side of the application, there are two links: 'Create Ticket' and 'Create User'.

# Create Permission: for Departments

The screenshot shows a web browser window with the URL `127.0.0.1:8000/permissions/new`. The application is titled "One" and has a navigation bar with links: Dashboard, Tickets, Users, Departments, Job Title, Permissions, and ADMIN. A sidebar on the left contains a user profile icon and a list of ticket statuses: All Tickets, My Tickets, New Tickets, Open Tickets, Resolved Tickets, Closed Tickets, and Cancelled Tickets. The main content area is titled "Create New Permission" and contains a form with the following fields:

- Permission Name (text input)
- Tickets (text input)
- Users (text input)
- Departments (text input)
- View Departments (checkbox, checked)
- Create Departments (checkbox, unchecked)
- Update Departments (checkbox, checked)
- Disable Departments (checkbox, unchecked)
- Job Titles (text input)
- Permissions (text input)

A "Create Permission" button is located at the bottom of the form. On the right side of the application, there are two links: "Create Ticket" and "Create User".

# Create Permission: for permission

The screenshot shows a web browser window with the URL `127.0.0.1:3000/permissions/new`. The browser's address bar and tabs are visible at the top. The web application has a dark sidebar on the left with a user profile icon and a list of ticket status links: All Tickets, My Tickets, New Tickets, Open Tickets, Resolved Tickets, Closed Tickets, and Cancelled Tickets. The main content area is titled 'Create New Permission' and contains a form with the following elements:

- A text input field for 'Permission Name'.
- A section with five checkboxes, each with a corresponding label: 'Tickets', 'Users', 'Departments', 'Job Titles', and 'Permissions'.
- A section with four radio buttons: 'View Permissions', 'Create Job Permissions', 'Update Permissions', and 'Disable Permissions'.
- A blue 'Create Permission' button at the bottom.

On the right side of the sidebar, there are two links: 'Create Ticket' and 'Create User'.

# New Ticket

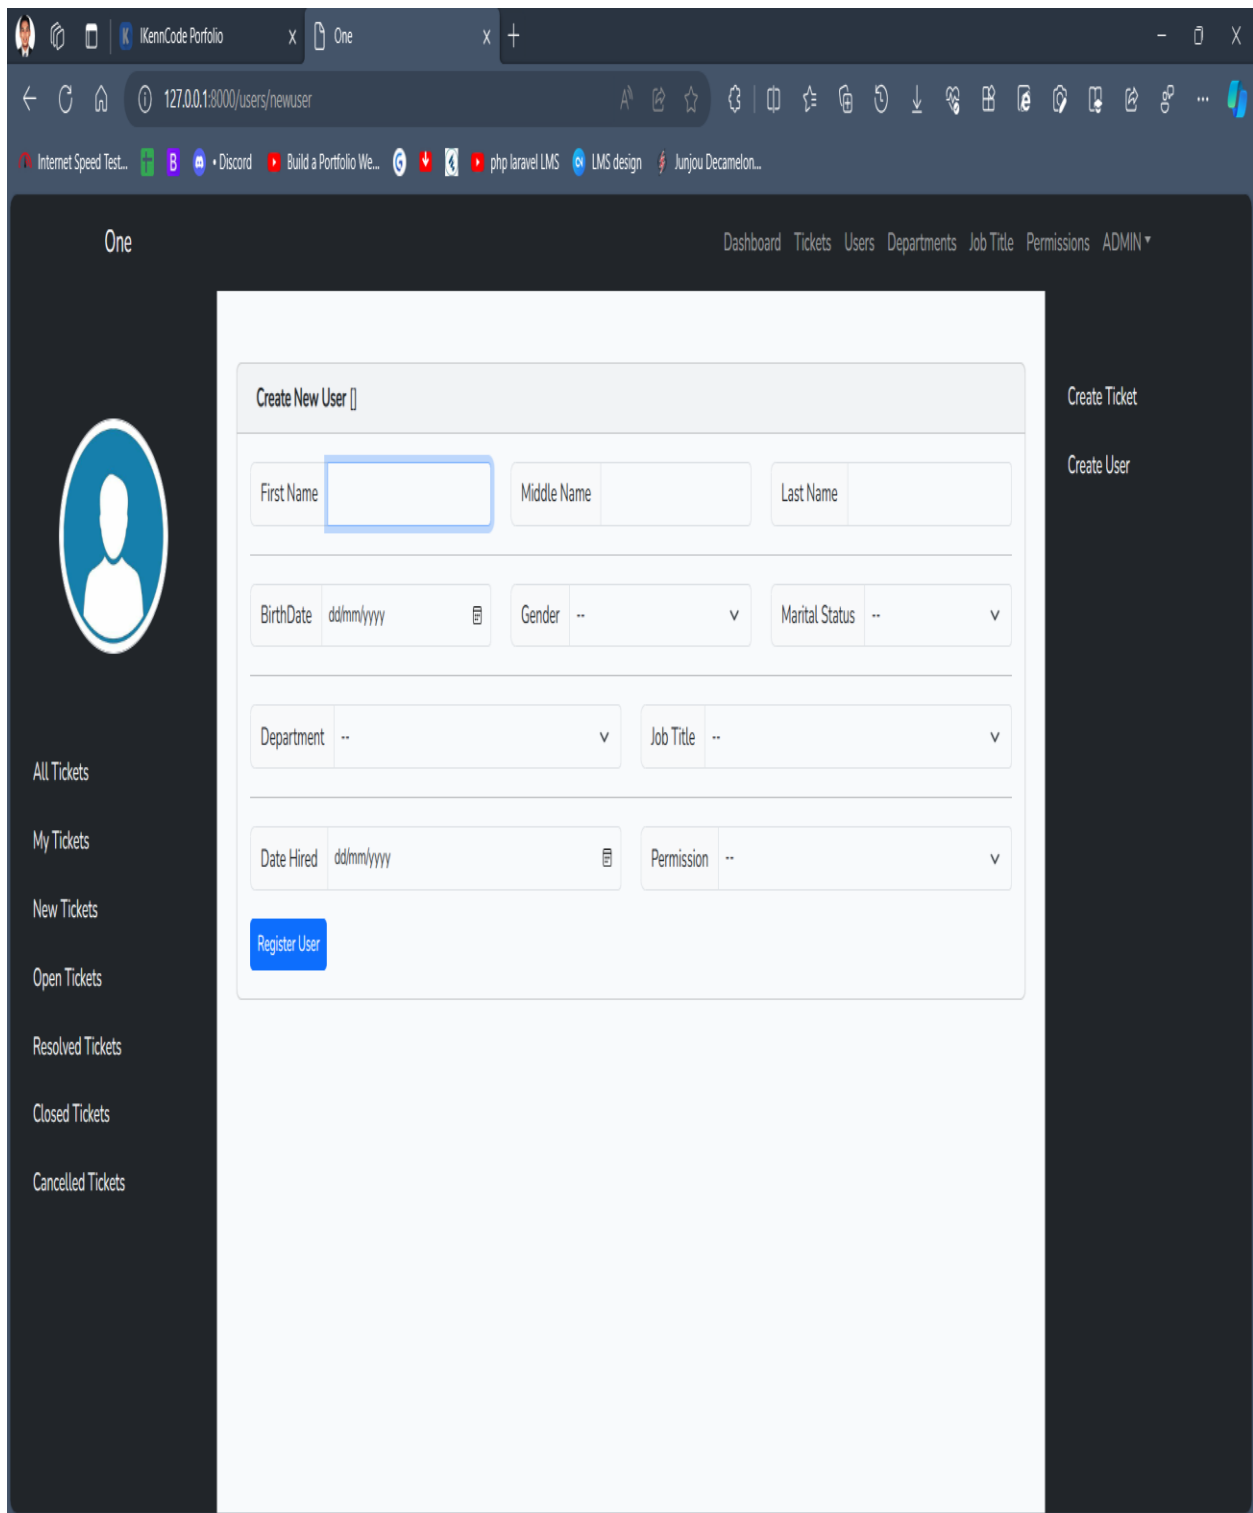

The screenshot displays a web application interface for creating a new ticket. The browser window shows two tabs: "iKennCode Portfolio" and "One". The address bar indicates the URL "127.0.0.1:8000/tickets/createticket". The dashboard features a dark sidebar on the left with a user profile icon and a list of ticket status links: "All Tickets", "My Tickets", "New Tickets", "Open Tickets", "Resolved Tickets", "Closed Tickets", and "Cancelled Tickets". The main content area contains a "New Ticket" form with the following fields:

- Title:** A text input field with the placeholder text "ticket title".
- Category:** A dropdown menu with a downward arrow.
- Description:** A large text area with a placeholder "...".

A blue "Submit Ticket" button is located at the bottom of the form. On the right side of the dashboard, there are two links: "Create Ticket" and "Create User".

# Create New User

The screenshot shows a web browser window with the address bar displaying `127.0.0.1:8000/users/newuser`. The browser tabs include 'KennCode Portfolio' and 'One'. The application interface has a dark sidebar on the left with a user profile icon and a list of ticket statuses: 'All Tickets', 'My Tickets', 'New Tickets', 'Open Tickets', 'Resolved Tickets', 'Closed Tickets', and 'Cancelled Tickets'. The main content area is titled 'One' and contains a navigation bar with links: 'Dashboard', 'Tickets', 'Users', 'Departments', 'Job Title', 'Permissions', and 'ADMIN'. The 'Create New User' form is centered and includes the following fields:

- First Name (text input, highlighted with a blue border)
- Middle Name (text input)
- Last Name (text input)
- BirthDate (date input, format dd/mm/yyyy)
- Gender (dropdown menu, value --)
- Marital Status (dropdown menu, value --)
- Department (dropdown menu, value --)
- Job Title (dropdown menu, value --)
- Date Hired (date input, format dd/mm/yyyy)
- Permission (dropdown menu, value --)

A blue 'Register User' button is located at the bottom of the form. On the right side of the form, there are two links: 'Create Ticket' and 'Create User'.
